An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 16, line 25, "second outlet opening" has been changed to - - bypass passage - -.

Note the aforementioned change was made because "second outlet opening" has no antecedent basis at that point in claim 16 and the bypass passage is essentially coextensive with the second outlet opening as claimed in claim 16, lines 36-37.
